If you would like to send anything to add to upcoming newsletters, please email kreading@buxtonsboxes.com or call Kristi at 609-209-5526.

Suggestions, Upcoming Rides, Recaps, Horse Info, For Sale or anything else that might be useful is always appreciated!

As in years past the rides hosted and organized by friends and members of Circle T were greatly enjoyed. Sometimes those participating don't realize just how much effort goes into hosting an event. Making sure trails are clear and safe, checking with land owners if needed, finding places to stay for riders and horses... A lot of work! So, please try to attend the rides and remember to thank the hostess/host and respect all properties ridden.

December 2017

Hello All,

Well, another year has passed and I'm doing about the same. My days are so long and I miss my Little Girl, friends, riding and camping.

I truly hope you and yours are all well and enjoying all the holiday activities.

They keep me pretty busy here with all types of activities and of course I've made a lot of friends.

In August my Little Girl died in her sleep, then a week later Kathy's dog, Jr., died so they both have a friend in heaven. Kathy has a new puppy and she brings him to visit me, but it's just not the same. The puppy, Trace, is a blue healer but things around here don't move fast enough for him. Trace is growing fast and is too heavy and wiggly for me to hold in my lap.

I would really like it if you could drop in to visit me or to hear from you, my address is above. Please bring or send me pictures.

Happy Holidays,

Paulette P. Ash

Pink Ride 2017

The weather didn't cooperate but we were able to get a short ride in on Saturday for about 10 riders. The evening was great with over 100 Chinese auction items. When it was all said and done we collected \$3189!!! We are able to have \$2864 matched dollar for dollar by anonymous donator which made our donations even greater! Thanks to all that attended, businesses that donated, and everyone that helped to make this weekend a success.

**Always a good attendance,
great riding and yummy food!**

TIOGA RIDE

The **Tioga Ride** usually begins on a Wednesday when most people start arriving. The rides are four to five hours long with lots of wooded trails and ups and downs. We have plenty of room for everyone to put horses on tie lines or put up portable fences, but there is limited room for rigs, so reservations are required. There are great campfires every night and Saturday night we all bring a dish to share for dinner at the campfire. Sunday, we eat whatever is left from Saturday night. Monday is a trip to the local Fair and Tuesday is pack up to go home, both days we usually do a short ride. Thank you to Katherine, Woody and Diane for sponsoring this ride.

VALLEY LEA

The **Valley Lea Ride** is hosted by Wayne Burrows and takes us through Lancaster Amishfarm land. This is a fun ride with many challenging trails.
